Fellowship Lunch

As we have a special afternoon program, we invite you all for a Fellowship Lunch. You are encouraged to bring your special dish, traditional food (preferable vegetarian), fruits and juices/water. Bring an extra portion as we always have guests.

Don't forget, this is a good opportunity to share our meal with other people, to invite them also to join us, be they rich or poor.

Afternoon program – screening the movie *Is Genesis History?*

The time has come for us to watch with our youth, friends and the whole church the movie-documentary **IS GENESIS HISTORY?** It is a special media product introducing us to many proofs regarding the historicity of the first book of the Bible, Genesis. This Sabbath in the afternoon at 4pm we will screen the movie.

Please check and click “going” on the **Facebook Event**. You can also register via **EventBrite**. All the details on our **Evangelism page** in the main menu.
