We will have fellowship lunch in the Upper Room (see pictures here, [front](#) and [back](#)), tables and chairs will be put in place. Please, no food in the sanctuary. Mind that there are no ovens (nor microwave) available, accordingly, please bring food already that can be eaten as is.

Vegetarian food desired! Some members mentioned that if any food has meat in it, it might be helpful to have an informing label, as some are vegans.

Afternoon program (3:00 – 4:15pm)

All are invited to stay for the cultural diversity afternoon program – **How Do You Identify Yourself?** (Do others see you the same?)

A series of valuable resources, a personal test, and then a small group discussion will help us going further in our efforts to understand each other better, for a unity in our diversity.

Projects in Dublin West

1,000 Steps to Christ

When was the last time (if ever) you gave a missionary book to someone in Ireland? There are thousands people not knowing God around us...

On the WhatsApp discussion of the Prayer Meeting Group, there came this idea of doing missionary work through spreading Adventist literature. An impressive amount of 1,000 copies of the amazing book "Steps to Christ" awaits for our involvement. All those interested to become part of the team, please stay longer this afternoon for a talk and a plan.

Remember, for those who are far from God, their journey to Christ start with YOUR first step to them.

Summer Camp 2018

Every year in the month of August we have the Summer Camp, for kids and youth. Save the dates for the one coming: 14-22 August, Portlick Campsite, Athlone. More details and registration will follow soon. We plan to have a better experience than the one of last year, so we are thinking of new and exciting activities for all those coming.

In your strength you will guide them to your holy dwelling."
